

## Signing Up for Notifications

If your school uses Cornerstone to send alerts, you can sign up to receive alerts in a different ways for a variety of reasons. You will only receive these alerts if you sign up for them.

**HINT:** If you do not see the *My Alert Notifications* option in the drop down menu beside your name (refer to steps 2–3 below), your school either does not use Cornerstone to send alerts or does not allow you to sign up for alerts through the Household portal.

You can sign up for alerts based on the type of alert and the way you choose to be notified. This allows you to only receive only relevant alerts; for example, you could sign up to be notified by phone if school is closed early, by email if your student is marked as absent and not at all if your student receives a bad test grade.

1. Log in to Cornerstone Household.
2. In the upper right, click the arrow beside your name.

3. A drop down menu appears with links to update your account.
  3. Select *My Alert Notifications*.
- The *Alert Notifications* page appears.

**NOTE:** You may not see the same custom alerts that are displayed here. This type of alert is set up individually for each school and may not apply to your child's school.
